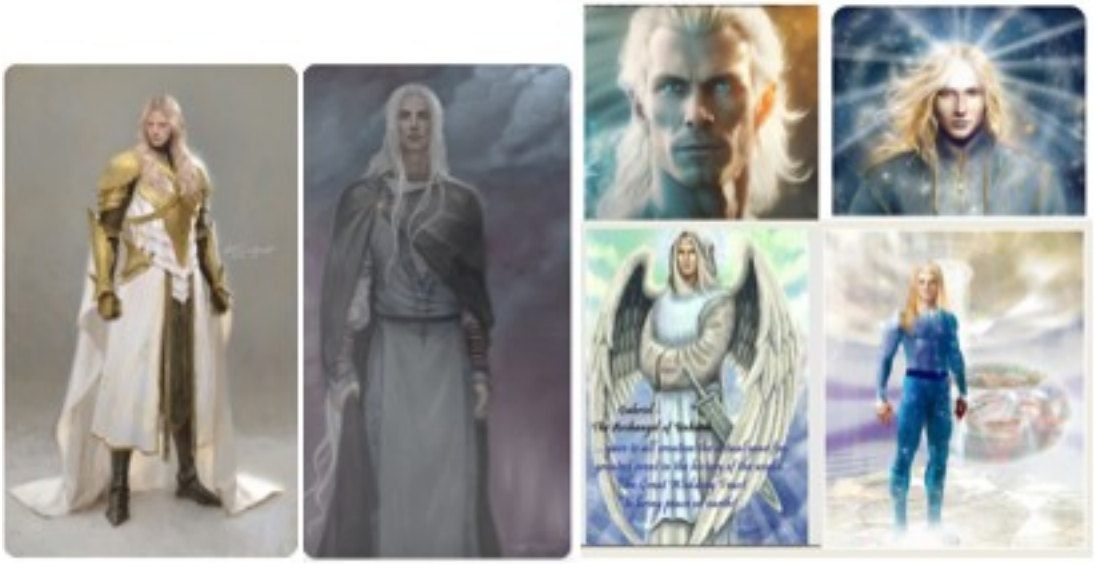
THE SKY COUNCILS

People who have "EARS TO HEAR" WILL GET THIS BUT MOST SLEEPING SHEEPLE WILL NOT.



THE GOOD WATCHERS UNDER JESUS WERE NOT THE FALLEN WATCHER. THE FALLEN WATCHERS ARE WHO WE REFER TO AS NORDIC ALIENS TODAY OR AS THE FALLEN EOHIM WATCHERS

<u>The gods of the Jews were the Fallen Elohim Watchers</u>

When we study the subject of the WATCHERS and the FALLEN ELOHIM WATCHERS we find that the FALLEN WATCHERS are the ones to appeared to mankind for evil purposes and to spread their seed.

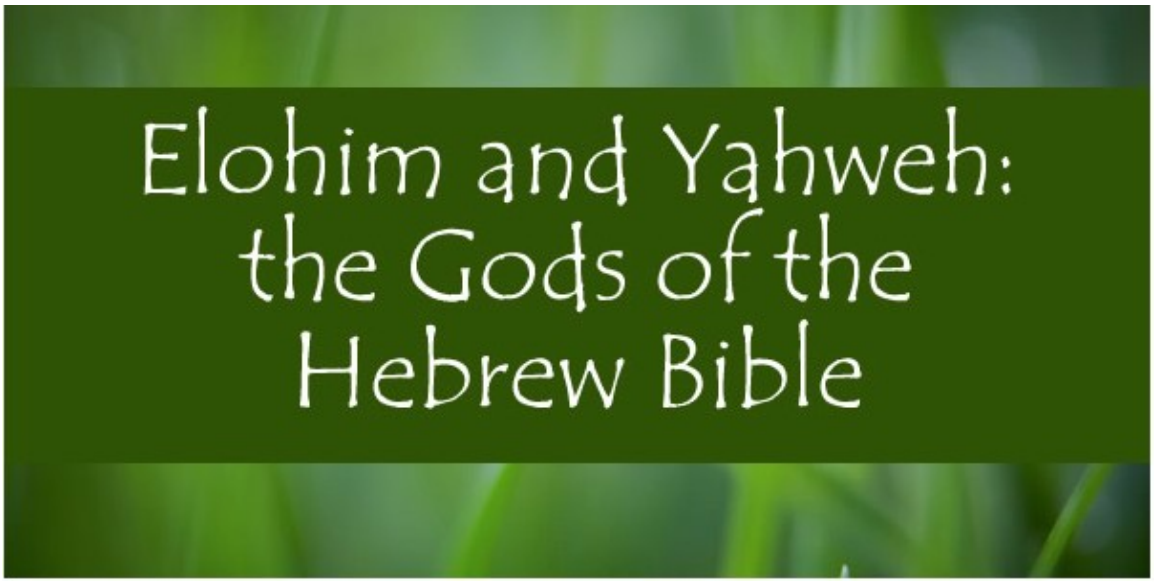
JESUS WATCHERS do no appear to mankind they work in the background to inspire us and may actually be the ones who engage in what are known as ANGEL RESCUES.

It appears to be the WATCHERS who will be coming back with Jesus soon to CLEAN HOUSE.

Once we understand that the Bible is a Pious Fraud written PRIMARILY by unknown Jewish authors then we can sit back and ask ourselves is there anything in the Bible that gives us snippets of information that are worth knowing about that have been deliberately hidden, covered up or not talked about_by the Jewish and Roman Orthodox Catholic and Christian Church (JROCCC). Have we been lied to about WHOSE WHO in the Bible when it comes to who the gods are?

The first thing we have to realize is that the Old Testament Jewish and Hebrew stories are thousands of years old. The stories predate the time Jesus came to earth by thousands of years which is why Jesus referred to those who worshipped them and their teachings as followers of the Old Wine.

In Hebrew, "Elohim" (אֱלֹהִים) is a plural noun that is often translated as "God" or "gods". In the Hebrew Bible, it can refer to the singular God, the God of Israel, or to other spiritual beings like angels or other deities. It's a versatile term that can encompass various divine or supernatural entities.



The word Elohim, in the modern Christian Bibles, has been translated with the word "God".
But it is a wrong translation, because the Elohim is a plural term, that indicates a group of flesh and bones individuals, powerful but not omnipotent, and certainly not spiritual nor transcendent.

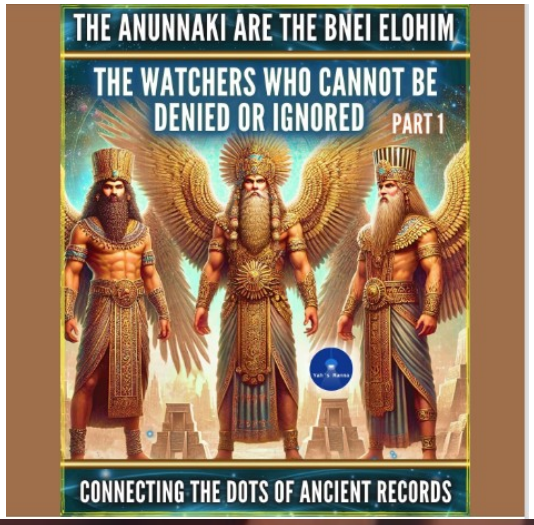
What is written in the original Hebrew text of the Old Testament has a stunning similarity with what is written in the Sumerian tablets, which are dating to more than 4000 years ago.
Basically the the original Masoretic text of the Old Testament and the ancient Sumerian tablets are telling the same events.
The Sumerian tablets are even more detailed.

The word Elohim occurs more than two thousand five hundred times in the Hebrew Bible, with meanings ranging from "gods" in a general sense (as in Exodus 12:12, where it describes "the gods of Egypt"), to specific gods (the frequent references to Yahweh as the "elohim" of Israel), to seraphim, and other supernatural ...

אלהים

What that means is that the stories in the Old Testament were written at a time when the tribes in the Middle East and Far East **worshipped aliens as gods which they still do today.** Once you **GET THAT** then the stories make much more sense.

In the Old Testament the Jews and Hebrew people talked about a council of Elohim gods who met in the sky who were referred to as SKY GODS. There were different councils of gods that met in the sky back then.



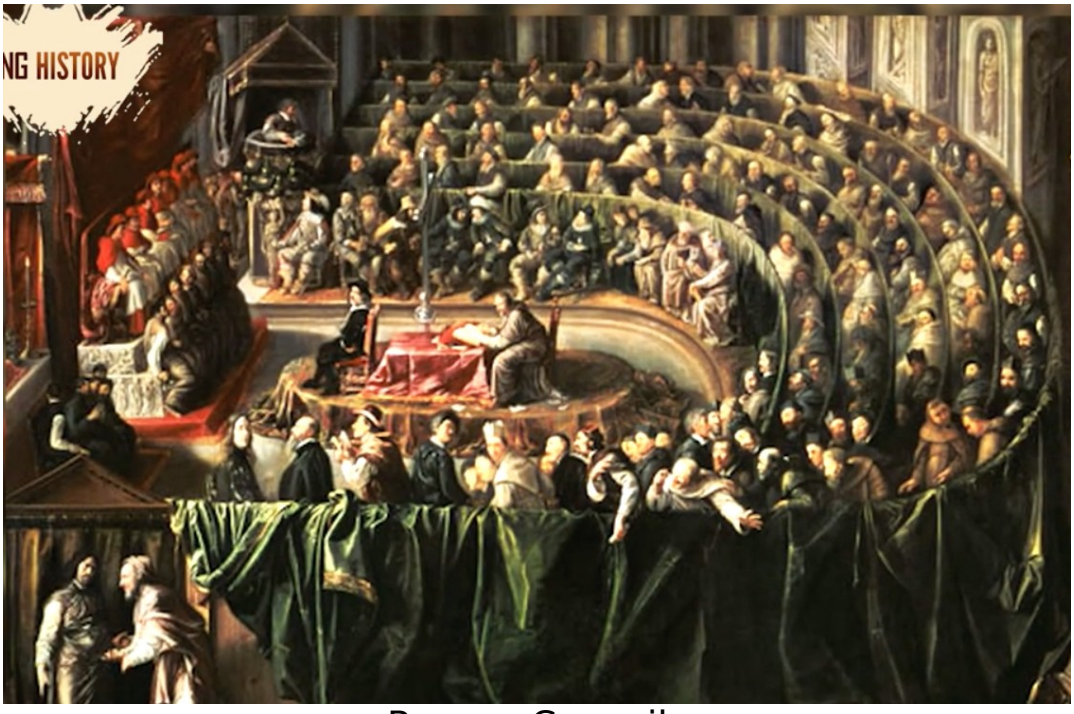
It would help us when we read these Old Testament stories to describe the gods as the Elohim who met in councils with other Elohim to discuss the fate of mankind or the tribes the different Elohim were associated with.

The tribes in the Middle East all worshipped different Elohim gods. Example the Jews worshipped a lesser Elohim known as Yahweh Ildabaoth the Demiurge YHWH as their god

towards the end of their story but before that they worshiped many of the Elohim gods aka the Anunnaki in Mesopotamia.

Do not be deceived Aliens are not Jesus or Our Heavenly Father they are evil fallen other dimensional beings who try to control what is going on in our world. Jesus and Paul referred to them as the evil Powers and Principalities of the world the real rulers of our world today.

THESE SO CALLED DIVINE GODS MET IN COUNCILS IN THE AIR IN UFO'S



Roman Councils

Roman councils seemed to be fashioned after alien councils.

Vatican has several examples of these alien councils inside UFO's

The gods who met in these councils produced evil hybrid bloodlines such a the Merovingian's who were genetically engineered to be their BOOTS ON THE GROUND.

Bible tells us that we will encounter aliens again today at the End of the Ages Tribulation Period.
